JOINT DDDA EXECUTIVE COMMITTEE MEETING

April 6, 2020
9am
Meeting conducted via ZOOM.

Attendees: Jeff Lynch (call in), Julia Kapilango (call in), Dan Merritt (call in), Cristina Sheppard-Decius (call in), Janet Bloom (call in)

1. COVID-19
   a. Response/Assistance Discussion
      i. Business Assistance - pulling together a panel to do a Zoom meeting to discuss available resources such as loans and grants. Also creating a Facebook page to list open businesses in Dearborn.
      ii. L&M - Contracted companies are only doing litter pick up at this point, no landscape services. Litter pick up is considered essential. Hots spots are around bus stops by AANM. Julia suggested additional trash cans at larger locations like Dearborn Fresh. Some of the early items of concern are planter pots, pansies. Target date to get early Spring items complete by is June 15.
      iii. Bike Share - had a standing meeting scheduled but no one from Zagster joined call. After different attempts to reach office, we did receive a reach out that they had reduced staff and bike deployments were put on hold. Dearborn’s deployment was to be March 20. Scooters are still on the table but on hold, too.
   b. Event/Marketing Planning
      i. Group Page- Facebook resource for businesses to be able to post on themselves to list hours, deals, or any changes as things change over the next few weeks. Dan stated it would be a good opportunity for businesses to promote themselves, encourage online shopping, and do live streaming.
      ii. DRW - The event was postponed and not rescheduled yet. It might be in June but too early to tell. Julia stated that since most participating restaurants are in the West, that the WDDDA should bear more burden of expense. It was agreed to review that for next year. EDDDA only had 6 restaurants participating in 2020 out of almost 40 restaurants for the event.
      iii. Ladies Night - As events move out, events will start bumping into each other and be competing for the same audience. This event is being discussed to become an online shopping event. The participating retailers would be listed. It is also being considered to do an online Zoom
social happy hour. Dan suggested to combine and tie in with another event.
iv. Ramadan - Waiting to see what happens with this and the large event tie in with it as well as late night restaurant openings and gatherings.
v. Summer - Music in the Park - cancelled, but maybe musicians can do live cam via Zoom. Jazz on the Ave - push start to beginning of August and run through September. Leave option open to do virtually. Farmers Market - maybe start mid-June, concentrate on food vendors as they would be deemed as essential. Tunes at Noon - delay until August start time. Friday Nights - cancel June event, see if a September one should be considered. Movies in the Park - cancel June or postpone until July. Janet suggested creating as a drive in, using John Nagy city lot in East, with similar idea in West in city lot south of train tracks. Would need to contact vendor on options. Kids Days - cancel June and modify entertainment (no bounce houses or other high contact items).

2. JOINT BOARD MEETING AGENDA ITEMS
   a. FYE2021-23 Budget Draft - taxes are much better, especially for WDDDA, so puts the organization in better financial position than originally projected. It was discussed that once we move past Covid-19, more funds should go to additional marketing efforts: mailers, co-op ads, newspapers, business spotlights/highlights, social media, TV, YouTube/Google ads, and CDTV. Use the funds no longer being used for events. Also, sponsor push still needs to happen.
b. COVID-19 Response Items - Sandwich Board Signs - $914 - a-frame signs distributed equally between open EDDDA and WDDDA businesses. Businesses were thankful for additional help of getting word out that they were open.
c. Tanner Friedman – Additional Services (COVID-19) - $7500 - they have been creating extra pieces and communications for the businesses as a response to current covid-19 situation, at roughly 50 hours of work.
d. Movies in the Park - service providers

3. WDDDA ONLY ITEM
   a. Farmers Market - service providers
   b. Tunes at Noon - service providers

4. EDDDA
   a. n/a

5. EXEC COMMITTEE DISCUSSION ITEMS
   a. Purchasing Policy – Purchases/Adjustments under $500 (within budget) - Cristina is working on.

6. UPDATES/PREPARATION
   a. EDDDA Updates
      i. Parking Lot Improvements
ii. City Hall Park Redesign Scope of Services - working with purchasing dept.

iii. Intercept Survey - Cristina will work to compile and distribute.

Julia noted that in EDDDA, that Winterfest was to be tied with Shop Small and calendars and marketing needs to reflect that. Review city and DDDAs calendar.

b. WDDDA Updates

i. Library Lot - still reviewing options to space

ii. Connector Streets

Dave Norwood said no updates on the contract currently.

Bike Launch
Bike launch was to be 3/20/20. No sanitation stations available. Cristina asked when bikes should be launched. George stated they don’t want folks on the property with shutdown. It was stated that mass transmit may be avoided currently by using bikes. Dave agreed that with the governor’s order, it would be a hard sell in the city.

Docked/Dockless Stations
Cristina hasn’t received a response on combined dockless and standard stationary bike stations from the city. Waiting on response from Zagster on dockless and docking station combination.

Ordinance/Policy
Per Dave, no ordinance on scooters, but policy would need to be established. Need to have policies in place per Sgt. Leviea in the police department. Launch a new contract in June. Need to have policy flushed out in 30 days.

Updates were recorded in recruitment database.

Funding Options

In addition to traditional SBA funding programs, the CARES Act established several new temporary programs to address the COVID-19 outbreak.

Paycheck Protection Program
This loan program provides loan forgiveness for retaining employees by temporarily expanding the traditional SBA 7(a) loan program.

EIDL Loan Advance
This loan advance will provide up to $10,000 of economic relief to businesses that are currently experiencing temporary difficulties.

SBA Express Bridge Loans
 Enables small businesses who currently have a business relationship with an SBA Express Lender to access up to $25,000 quickly.

SBA Debt Relief
The SBA is providing a financial reprieve to small businesses during the COVID-19 pandemic.
How can I access an EMERGENCY $10,000 GRANT?

- Eligible applicants for an EIDL can receive a $10,000 emergency grant within three days of application (through Dec. 31).
- There is no obligation to repay the grant. To receive the $10,000 emergency grant, it is not necessary to have an approved EIDL loan. However, if you are able to secure a PPP loan, the $10,000 grant will be subtracted from the forgiveness amount.

**NOTE:** The Paycheck Protection Program (PPP) created by the CARES Act prohibits borrowers from taking out two loans for the same purpose. For more information on PPP loans, visit uschamber.com/sbiloans.

How do I APPLY?

Apply online at SBA.gov/disaster

What are the LOAN PARAMETERS?

- The maximum EIDL is a $2 million working capital loan at a rate of 3.75% for businesses and 2.75% for non-profits with up to a 30-year term.
- Payments on Coronavirus EIDL loans are deferred for one year.
- Up to $200,000 can be approved without a personal guarantee.
- Approval can be based on a credit score and no first-year tax returns are required.
- Borrowers do not have to prove they could not get credit elsewhere.
- No collateral is required for loans of $25,000 or less. For loans of more than $25,000, general security interest in business assets will be used for collateral instead of real estate.
- The borrowers must allow the SBA to review its tax records.

In general, all of the following entities that have suffered substantial economic injury caused by a disaster provided they were in existence on January 31, 2020:

- Businesses with fewer than 500 employees
- Cooperatives, ESOPs, and tribal small businesses with fewer than 500 employees
- Sole proprietors
- Independent contractors
- Most private nonprofits
