AGENDA OVERVIEW

JOINT ACTIONS

Consent Agenda

A consent agenda is a board meeting practice that groups routine business and reports into one agenda item. The consent agenda can be approved in one action, rather than filing motions on each item separately. Using a consent agenda can save boards anywhere from a few minutes to a half hour. A consent agenda moves routine items along quickly so that the board has time for discussing more important issues.

Therefore, in order to improve the efficiency, duration and focus of the Joint Board meetings, it is recommended to modify the agenda format to a consent agenda, which is allowed by Roberts Rules of Order and many communities use this style of agenda. The Executive Committees will determine the routine items that will be on consent each month. A Board member may request for an item to pulled from consent prior to vote, and that item will then fall under the last regular action item.

A resolution is attached authorizing the use of a consent agenda for future meetings.

Landscape & Maintenance Contracts

Contracts for landscape and maintenance for both downtown districts are coming up for renewal April 1, 2020. The EDDDA has a contract with WH Canon, and the WDDDA has a contract with Fairlane Grounds. Both contracts have the option for one-year renewals for four years (through 2023). It is recommended to renew both contracts at this time.

The EDDDA previously authorized a two-year contract of \$130,000 per year (\$98,480 base services at \$32 per man hour and \$30,000 for additional materials/services) with WH Canon starting April 1, 2018, with four one-year renewals. This included once weekly litter cleaning/removal, landscaping, maintenance, graffiti removal, materials and décor/banner installation and takedown. It is recommended to increase the number of litter pick-ups per week from one to 2.5 days per week at an additional cost of \$4500 annually to the base services, and annually powerwash the sidewalks in spring of 2020 at no additional cost. As well as modifying the budget for additional plant materials/services to \$12,000 for the district for 2020, including, but not limited to:

- re-topsoil and replace/reinstall perennials in the large planter wells;
- Replacement trees for Michigan Avenue;
- Hanging Baskets for Schaefer;
- Planter beds in parking lots and key focal points.

Therefore, the recommendation is to authorize the first of four options to renew the landscape and maintenance contract with WH Canon starting April 1, 2020-March 31, 2021, at a base rate of \$104,380 annually plus \$12,000 for additional materials/services.

As for the WDDDA, the Board authorized a comprehensive landscape/maintenance contract with Fairlane Grounds for two years with four one-year renewals in an amount not to exceed \$275,000 annually starting April 1, 2018. Due to an increase to the annual materials projected for the new streetscapes on Howard, Mason and Monroe Streets, it is recommended to authorize the first of four options to renew the landscape and maintenance contract with Fairlane Grounds starting April 1, 2020-March 31, 2021, in an amount not to exceed \$281,346.00.

Branding Launch Print Items

At last month's meeting, the Boards approved expenditures for the brand launch marketing and promotional flyers that were developed to help share with the community and businesses as to how to utilize the brand and understand the overall initiative. As well as display boards and event meeting posters were created for the public meetings. Last month, the Boards authorized \$243.50 from General Marketing for most of these items, but the event meeting poster was not included in that amount. The amendment to the resolution now includes this item of \$42.50 to be split equally between the East and West DDDAs.

EDDDA ACTIONS ONLY Parking Lot CIP - Lighting

The EDDDA dedicated funding to improving the vehicular parking lots, alleys and a pedestrian corridor along the alley north of Michigan Avenue from 5050 Schaefer Road to Williamson Street, as well as the Wellesley parking lot and alley south of Michigan Avenue between Maple and Schlaff through the Parking Lot Improvement Project M20017. The goal is to improve the overall walkability and pedestrian connection, as well as providing a safe and visually appealing environment in the public parking lots for the downtown business district.

There is \$998,465 remaining in the CIP M20017, and the first item ready for authorization from the Board is the lighting plan from Detroit Edison. DTE will improve the light levels by changing out 82 lightpoles, including 110 LED luminaires and adding seven hanging basket/banner arms to seven of the fixtures in the pedestrian alleys. The construction cost is \$315,114 minus a 3-year energy-back revenue of \$104,367 for a total contribution of \$210, 747; and cutting the annual costs for the City of Dearborn in half to \$34,789. A resolution is attached.

Free Comic Book Day

Annually, Green Brain Comics host a Free Comic Book Day event and activities in the district bringing in hundreds of visitors for this global event. Traditionally, the EDDDA has supported this event for marketing purposes at \$1000. Resolution is attached.

Jazz on the Ave

Jazz on the Ave is the EDDDA signature event that draws in thousands of visitors to the district every Wednesday for six weeks from July – August. Partnering with Alexander Zonjic to book and manage the entertainment, as well as promote it through his media channels has created an event that has grown every year. The EDDDA has budgeted \$55,000 for the event,

and the goal is to raise \$25,000 in sponsor income to help support this annual event. The resolution attached itemizes some of the service providers confirmed for this year.

Memorial Day Parade

Annually the EDDDA has supported the Memorial Day Parade as it starts in the East Downtown. Ideas for participating in this year's event were also discussed at the Executive Committee meeting, and they are being explored.

WDDDA ACTIONS ONLY Kids Days

For the past few years, the WDDDA has partnered with Kenwal Steel to bring Kids Day activities to three of the Farmers Market events each season. The WDDDA budgeted \$10,000 for the event with matching donations. Resolution is attached for confirmed service providers. Sponsorship confirmation is still being sought for \$10,000.

Ladies Night 2020

Last month, the WDDDA approved service providers for Ladies Night and some of the final service providers are still being lined up. Replacement of the yard signs and banners for the event are needed for branding purposes, and miscellaneous supplies for badges, buttons and décor. Photographer is still to be confirmed.

DEARBORN BIKE SHARE MEETING Minutes

February 27, 2020 10:00am DAC Building EOC Room

Attendees: Jesse Roseberg (call in), AJ Masters (call in), George Moroz(call in), Sara Gleicher plus two interns, Hassan Sheikh, Cristina Sheppard-Decius (call in), Janet Bloom

<u>AGENDA</u>

I. Spring Launch

The Henry Ford is not interested in dockless stations at this time, per George Moroz. Per Jesse, the cost goes from \$1800 for their regular bike to \$2000 for a dockless station bike. Costs range from \$1 to \$6 plus dollars as penalty for not returning bike. Dearborn would set that penalty amount.

Sara asked if hybrid station is available. AJ - yes, we can manage that from the app. If U of M-D or The Henry Ford wants docked and city wants dockless, through use of geofencing, that can be achieved. No extra charge for hybrid.

Next steps are to follow up with U of M-D and Dave Norwood, as Dave was working with Legal.

To switch over, no changes on the bikes are needed, per Zagster. Zagster flips switch. The stations stay as they are. Jesse stated the process would start upon contract renewal.

Ford - regarding scooters and bikes there is no game plan yet.

 - A. Bike Renewal Plans

Ford/Fordland said they are interested in participating and getting employee volunteers, too.

- A. Open Door Dearborn
 - 1. Grant Applicant Review Haraz Coffee House Cristina requesting a three year budget projection. It was also asked to provide funding sources and if he has other businesses. Mike stated looking to his previous experience to see how he might perform in the current business. Jeff and Hassah said we need to highlight that it is part of our funding due diligence, especially since asking for money from the city. Cristina - Kalamazoo pushed through 40 businesses in start up program. After a year, 2-3 closed, but others were up and operating. The application has all three levels selected. Mike painted brick on front. They need to show more detail and paint scheme. Jeff - are we asking for applicant go through Design Committee review and then also Design Review Committee (DRC) at city? Mike wants drawings to be accurately labeled with materials and colors provided. Mike feels this can be two processes - one for city for building permit which is done first, if applying for grant funds, then you have to provide more detail second. Jeff cautions we work on a process that isn't cumbersome for businesses. Mike stated that any changes we do to aesthetics shouldn't have to go back to DRC, that Tom Paison can approve administratively. Cristina - our application lists guidelines and we can include examples to help. Hassan - if subjective, as Mark as stating, need to have consistent guidelines. Jeff stated we need to decide if board delegates decision to Design Committee or Design Committee makes recommendations to board. Cristina - the board is not in charge of approving design but approving funds. Mike stated a board resolution should be done to that effect. Jackie feels it is part of board/committee process. It was unsure if covered in bylaws currently. Mike wants more flare for Haraz location but need a color rendering. Cristina wants more of a breakdown of budget by line item (inside versus outside costs). Thomas - breakdown of costs should have been included since he selected a level that requires it.
- B. Business Assistance Team
 - 1. Introductory Letter/Sign Ups need to create with a menu of interests. Mark said to develop list first then reach out to individuals who would match. Cristina will send out for input.
 - 2. April Start Date

quick path. Katie – they have to register onsite with email. General information on person up front, then at the end of event – capture their experience. Cristina – do we want to spend time and money to develop this? It would be taking to board and asking for \$2500. Jean and Katie - Board is asking for metrics so this is a good method to help achieve that task.

II. Maestro & Event Manuals

Reviewed DRW action plan in Maestro and Cristina asked Jean to complete. Once work plans have all detail in, then that folds into Event Manual which lists vendors we used.

Jean to provide more detail. Cristina has boosted page and event to date. Jean sent a list of participating restaurants to CDTV to have a video created for Facebook. Cristina asked for a list of what Anton is doing versus what she is doing. Sam – you have \$6500 to boost, have Anton figure out how best to do social boost program, then have Anton tell Cristina how to do \$1500 spend on Facebook boosts, then Anton does his portion, so they don't duplicate.
